Lot 364

AU-50 or Finer 1834 Classic Head Gold \$2.50

A generous amount of mint brilliance resides in the protected areas of this sharp quarter eagle from the first year of the design type. Deep yellow-gold with warm orange toning at the rims. A few tiny marks away from absolute perfection within the grade.

Est. \$1,100.00 - \$1,300.00

Lot 366

Est. \$4,500.00 - \$4,700.00

Lot 375

Rare ANACS AU-55 1882 Gold \$3

Shows a good amount of PL surfaces and is very choice for the grade. In fact, we feel this piece is closer to MS-60 than the assigned grade. Just 1500 were minted putting this date in the top 10 rarest of the series.

Est. \$4,000.00 - \$4,500.00

Lot 377

PCGS MS-63 1908 Indian Gold \$5

Est. \$2,500.00 - \$2,600.00

Lot 387

AU-58 1925-S Gold Double Eagle

Housed in a PCGS genuine only holder this satiny and lustrous example shows lively olive highlights throughout. In fact, this example shows very little actual wear, hence our assigned grade. Far more rare than its mintage of nearly 3.8 million suggests. Much of the mintage was sent to European banks where many were melted, and others lingered in the vaults in San Francisco until their destruction in 1933. An infrequent visitor to our sales, so plan your bids accordingly.

Est. \$5,500.00 - \$6,500.00

Lot 376

Est. \$1,300.00 - \$1,400.00

Lot 384

PCGS MS-64 CAC 1915-S Gold \$10 Indian

Finer than the assigned grade to our eyes, with nary a mark or disturbance of any size to be found, even under low magnification. Satiny yellow-gold with superior luster and matching aesthetic appeal. Though more than 100 examples of the date have been called Mint State at PCGS, the preponderance of the total falls below the MS-64 mark; just 10 examples have been deemed finer at that organization. If you could locate an MS-65 you would expect to pay \$70,000 or more, with a CAC example possibly reaching \$100,000. Rare and elusive at this level, and an absolute treat in all regards.

Est. \$27,500.00 - \$32,500.00

Lot 386

NGC MS-62 CAC 1924 Gold \$20 Liberty
